April–June 2019

A Season of Change

We relocated the church to our address on Loop 1604 in May of 2002. I have described the first 5–6 years as being on a roller coaster. All we could do was strap in and hang on. We had no real control over where it took us. It took us to great heights and deep lows, and always at a fast speed.

By the grace of God, we made it through those first tumultuous years of rapid change. Around 2008, things began to settle down. We got our bearings. We stabilized. We figured some things out about who we were and who we weren't. We formulated a clear mission statement, constructed the sanctuary, saw and built the vision of our Ministry Center, and developed a staff that is second to none. These past 7–8 years have been years of relative calm, steady growth, expanding our vision and reach, and years of becoming comfortable with our identity and our diversity, of living in to who we are.

Now some things are about to change again. I am retiring, and Lupina is taking the helm. Wanda Stanley is retiring also. Between the 2 of us, you have about 55 years of leadership. A new children's ministry leader will be coming on board in June. We'll have a new associate pastor to join Lupina and Abdon in pastoral leadership. We don't know who that will be, but we do know it will bring change we'll have to adjust and adapt to, even as the new associate will need to adjust and adapt to us. Changes are also coming to our denomination, changes which will undoubtedly affect us and all local UM congregations.

The changes within our church family are *natural* life changes to which we will adapt, because we know who we are, and because we are confident in our vision and mission. The changes that will be imposed upon us from General Conference actions, we will likewise assimilate into our congregational life, but we will not let the Greater Church move us from our clear sense of congregational identity and purpose.

The Lord remains our Anchor and our Rock. The Holy Spirit remains our Guide. Jesus remains our purpose and our mission. Our leadership – pastoral, staff, and lay – is far more spiritually mature than we were 17 years ago. Lupina Villalpando-Stewart is destined to become one of *the* great leaders in all of Methodism. She is ready for this moment. Her vision, drive, passion, and leadership will inspire a fresh era of renewal. The church will rally 'round her, and we will be just fine!

God's plans are good plans. God is still in control. God will lead us where we need to go. Let us follow our Leader and our leaders with confidence!

Your friend and servant,
Milton Lewis aka Pastor Bolillo
Senior Pastor for a Little While Longer

Dear friends, now we are children of God, and what we will be has not yet been made known. But we know that when Christ appears, we shall be like him, for we shall see him as he is.

Rene Carrillo Bible Fund

A special fund to purchase Bibles for worshipers and visitors to the Ministry Center has been established by the family of the late Rev. Rene Carrillo. Rene served churches in New York State. Upon retirement, he and wife Nana moved to San Antonio to be closer to children and grandchildren. They made NHUMC their church home. Rene had a great love for the Lord and for Scripture. During his ministry, he derived joy from giving people the "wonderful words of life." Rev. Carrillo died in 2018 after a long battle with cancer. His family established this fund with a generous contribution in his memory. Making Bibles available is an important part of our Ministry Center's work. If you wish to contribute to this Designated Fund, simply memo your check "Carrillo Bible Fund."

Northern Hills UMC has 10 worship services every week, including 3 communion services and 3 prayer services. Come praise God with us!

Sundays:

8:30 & 11:00 a.m. in the Sanctuary (1604)
Traditional Worship with organ, piano, and choir, familiar hymns, friendly faces, and proclaiming God's word.

9:45 a.m. in the Sanctuary (1604)
The Table is a weekly communion service. It has all of the substance of traditional worship with a slightly more casual feel.

9:45 & 11:00 a.m. Contemporary Worship in the Worship Center (1604)
9:30 a.m. Breakfast Gathering—breakfast finger foods are served and fellowship time abounds in the worship center.
9:45 a.m.—Contemporary Worship is modern worship with high-energy Christian music.
11:00 a.m.—Contemporary Worship is modern worship mixed with a gospel setting.

1:00 p.m. in the Ministry Center (Naco Pass)
La Roca is English/Spanish bilingual, fully accessible to speakers of either language. Communion is served weekly, and it has an intergenerational blend of both Anglo and Hispanic worship music. Also, a free lunch is served each week at 12:15 p.m. before worship.

Tuesdays:

6:30 a.m. in the Sanctuary (1604)
Tuesday morning prayer offers a chance to come together for a time of prayer and a devotional to start your day right and help center your soul toward Christ.

Wednesdays:

6:30 a.m. in the Ministry Center (Naco Pass)
Wednesday morning prayer is an informal gathering with members of the community to sing and lift up prayers to God. Free coffee and donuts are served each week.

Ministry Center

"Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go." Joshua 1:9

How often do we take risks? I would venture to say we do this every single day. From driving a car, to doing something new at work, to trying out a new food that may not agree with us (especially if I've prepared it).

Some professions like law enforcement or firefighting always involve taking risks. I have a granddaughter who is a Correctional Officer and I can't imagine doing that kind of dangerous work, but her training has prepared her for her occupation.

In many parts of the world being a Christian is very dangerous and publicly expressing your faith carries significant risk. Fortunately, in this country we have the freedom to worship as we choose and, for the most part, we are not persecuted because of our faith. Yet many consider it too much of a challenge or risk to express their faith outside the walls of a church.

Many churches remain closed to new ideas, forms of worship, ministries, etc. because it's perceived to be too risky. Jesus was a risk taker, he challenged people to take risks, he stood up to injustices, he associated with people who were despised, people who no one cared about or wanted around.

I frequently hear from people whose lives have been changed because someone took a chance on them. Someone took a risk and started a ministry that had an impact on their lives. One ministry that I would like to highlight is the Adult Special needs Ministry led by Vicki and Fil Spangler. Vicki, Fil and a group of dedicated volunteers at the Ministry Center invite special needs adults to visit on Monday and Tuesday mornings for choir, games and a devotional time. Recently a baking class was started that enables Special Needs Adults along with their mentors to prepare baked goods for the various events at the Ministry Center. This ministry started with just a question of how to help fill a need for snacks with volunteers who are interested in serving.

Christ knew how hard it would be to go out into the world and evangelize. That is why he sent his disciples out in pairs (Luke 10:1) so that they could encourage, protect, and be witnesses for each other. As we move into this new season, I encourage you to keep your eyes and ears open to see and hear where God is calling you to serve. Ask the Lord to help you step out in faith and take a risk for him. Volunteer for something you haven't done before and ask a friend to join you. If you have an idea for a ministry, class, support group, bible study, etc. that you would like to lead, contact me.

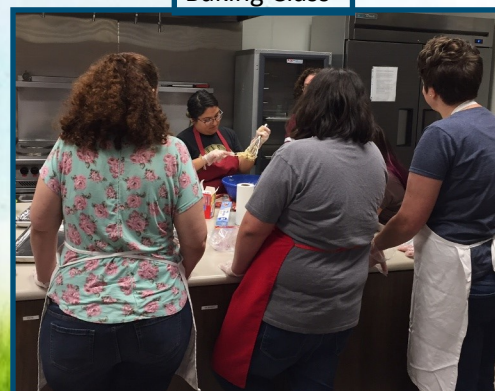

Remember that whenever you are called to take a chance and try something new that Christ has put on your heart "the Lord your God is with you wherever you go".

Blessings,
Pastor Abdon

1 Corinthians 3: 9

Do you like puzzles? In this season where technology overtakes the simple art of board games or puzzles I am very happy to see that my kids still enjoy putting a puzzle together.

I love to leave the pieces on the main table at the house, and during the day, I can see each member of the family, sometimes including the cats, moving the pieces to try to create this beautiful puzzle.

Nevertheless, as I mentioned, sometimes our cats bring their "input" and play with one of the pieces that we find on the floor days later. A puzzle can be awesome but if one piece, even a small one is missing, it affects the entire outcome. Each piece has its right place and has a valuable presence in the puzzle.

Northern Hills UMC is right now in a season of "puzzling". What does it mean? It means that many pieces are moving at the same time. New people are coming, others are retiring, some are shifting positions, perhaps sometimes can look as if a cat is hiding one piece! All of this brings many different emotions. It brings a sense of sadness to say good-bye to those who retire and we love them. It is exciting to see new people coming to serve and bring new ideas. It is sometimes confusing to try to rethink new roles.

So, how are we able to thrive in this "puzzling" time?

We remember who OWNS the puzzle. We remember that our Mighty God with His powerful Hand has been leading this church since its creation over 40 years ago. If there is something that we all have learned as part of this congregation is that God leads this church in experiences that are not humanly achieved but Spirit-led achieved. God owns Northern Hills UMC. God is the one who knows exactly what piece goes where. He has the image of who we are in His mind and leads us to that place.

Perhaps the biggest investment that we need to do as "pieces of the NHUMC puzzle" is to TRUST in the Mighty Hand that leads us. Proverbs 3:5 says, "Trust the Lord with all your heart".

So I invite you to pray in this way:

Take a moment to remember something that this church has done, where you saw God's hand in an incredible way. Give the Lord thanks for that.

Tell the Lord that as member of this puzzle, to place you where you will grow and serve the best. Pray that each of the pieces will trust God at this time.

Pray that through this process of change, may the Lord protect us from anything that can distract us from His purpose.

Rejoice for the new ways God will use this NHUMC puzzle for His glory!

Homework: Put a puzzle together and while you do it, pray for NHUMC!

Katherine Reed—Director of Children's Ministry

Katherine comes from Flower Mound, Texas where she attended high school, followed by an undergraduate degree in Geography from Texas State University. Katherine always has had a love for serving God and young people. She answered a call into youth and children's ministry when she was 18. Throughout her undergrad years she filled many different ministry positions in many different churches around Central Texas and beyond, including youth ministry intern at both Pflugerville UMC and University UMC in San Antonio, Children's Ministry Assistant at First Christian Church in San Marcos, and camp counselor with Eagle Lake Camp in Colorado Springs. After graduating from Texas State, Katherine was accepted to the Center for Youth Ministry Training where she was placed as Children's and Youth Ministry Director at Canyon Lake United Methodist and pursued her Masters in Youth Ministry from Austin Presbyterian Theological Seminary. Katherine will be one of five in the very first class to graduate from Austin Presbyterian with a Master of Arts in Youth Ministry on May 26th.

When she's not doing ministry or studying, she loves getting outside and being in God's creation. Hiking, biking, kayaking, and floating the river are among her favorite activities. Katherine also has a passion for photography which takes her on many road trips around the Texas Hill Country, especially chasing bluebonnets in the spring. She has two cats who she adores named Oliver and Elvis.

Katherine is extremely excited to be joining Northern Hills UMC and cannot wait to see what God has planned for the church and her ministry with the kids and family of NHUMC. Katherine will be joining us on June 2.

With 200 people in attendance, it was a night to remember! Dinner was donated by Philippe Place, GM at Southerleigh, and the silent auction was full of many great items, gift cards, gift baskets, and more. Many thanks to our area businesses, families, Sunday School classes, church groups, and Day School for their generous donations.
